

NAME: _____

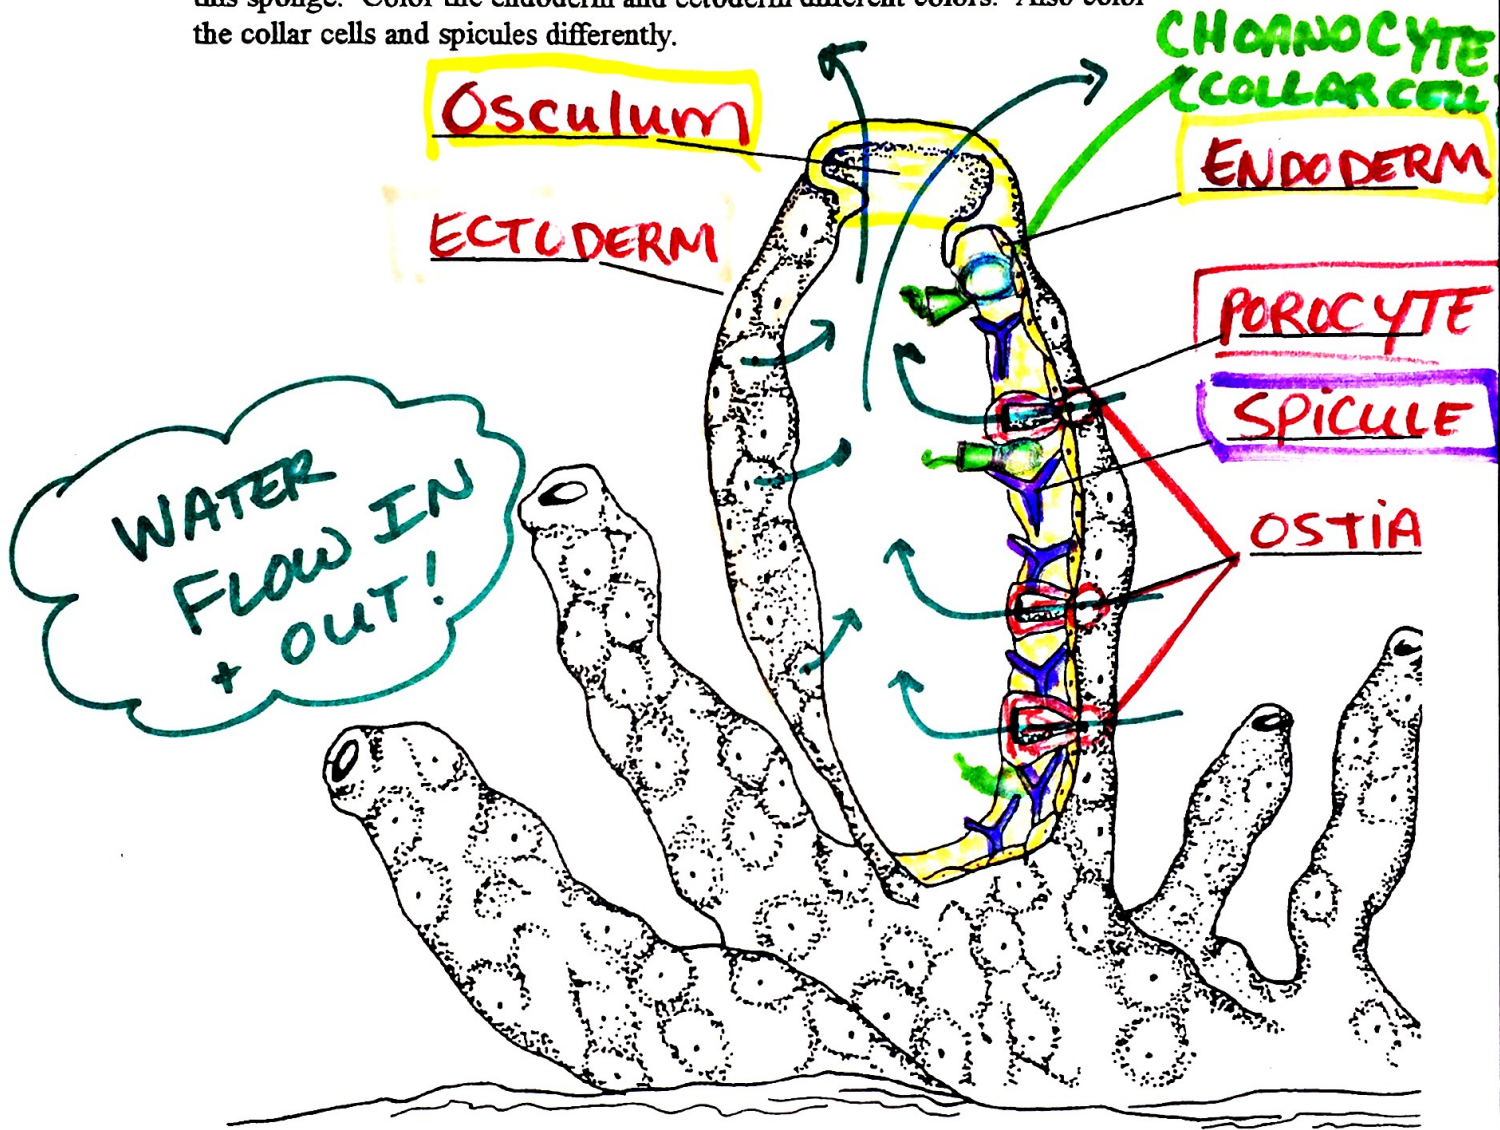

KEY

Student Activity **Porifera**

Name That Sponge

Using a biology book, a textbook or an encyclopedia, fill in the correct parts of this sponge. Color the endoderm and ectoderm different colors. Also color the collar cells and spicules differently.

Provide the definition, state the function, and then place the term on the correct line on the diagram:

- ~~Ostia~~
- ~~Collar Cell~~
- ~~Spicule~~
- ~~Endoderm~~
- ~~Osculum~~
- ~~Ectoderm~~

POROCYTE

CHOANOCYTE
